I.B. No: 026

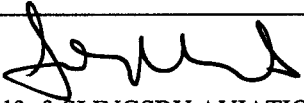

**Aircraft Type:** T67M260 and T67M260-T3A

**Title:** ALTERNATIVE EXHAUST HEAT SHIELD MATERIAL ON THE LOWER FUSELAGE

A new heat shield material with improved heat resistant properties and longer life is now available. The shield size has also been increased slightly in order to improve its effective area.

The new improved shield can be obtained from the Customer Support Department, Slingsby Aviation Ltd as Modification M959 "Introduction of Improved Heat Shield Material".
